JUL 22 2016

Mr. Pat Gallo
AK Steel Asset Management Company
1801 Crawford Street
Middletown, Ohio 45044

RE: Approval of the Revised CMS Report for SWMUs 2, 3, 4, 5, 6, 7, 12, 13, 17, 24 and 33, and AOCs
1, 4 and 8 at the AK Steel Site, Kansas City, Missouri
EPA ID No: MOD007118029

Dear Mr. Gallo:

The U.S. Environmental Protection Agency, in consultation with the Missouri Department of Natural Resources, has completed their review of the subject Report and is providing their approval with no further comment.

Please contact me at (913) 551-7755 or by email at morrison.bruce@epa.gov or Christine Kump-Mitchell at (314) 416-2960 or at christine.kump@dnr.mo.gov if you have any questions concerning this approval.

Sincerely,

Bruce Morrison
Project Manager
Waste Remediation and Permitting Branch
Air and Waste Management Division
